

WOW! Services Restored in Panama City Beach and Inlet Beach

Panama City Beach, FL. – October 21, 2018 – [WOW! Internet, Cable & Phone](#) (NYSE: WOW), a leading broadband and communications service provider, this evening announced its services have been restored to its customers in Panama City Beach and Inlet Beach, days earlier than previously forecasted.

WOW! customers in Panama City Beach and Inlet Beach can now access their Internet, cable and phone services so they can run their businesses and connect to their world using the WOW! services they rely on.

Since receiving approvals from local jurisdictions, WOW! technicians and engineers have worked around the clock to design alternate fiber routes, repair fiber, and string and lay cable to bring customers back online. Similar work continues to restore services in Panama City, Lynn Haven, Callaway, Parker, Cedar Grove and Springfield.

“WOW! takes very seriously the critical role internet, cable and phone services play in the lives of our customers,” said Teresa Elder, CEO at WOW!. “We know customers rely heavily on WOW!’s services and must have these services to recover and rebuild. Our teams rallied behind our customers, challenged themselves to find creative solutions and brought customers back online more quickly than initially expected after the catastrophic damage to our network from Hurricane Michael.”

The best way for customers to contact WOW! for more information, or to report an outage, is to visit [wowway.com](#) or to call 1-855-4-WOW-WAY for recorded real-time updates. The company is also providing updates on Twitter and Facebook.
