*Augusta GreenJackets and WOW! recognize local teachers' commitment to students and community*

**Augusta, Ga. – April 30, 2018** – WOW! Internet, Cable & Phone (NYSE: WOW) announced Jessica Cohen, kindergarten teacher at North Augusta Elementary School, as the recipient of the inaugural WOW! Teacher of the Month award.

As part of the award, Cohen and her students attended the April 28 Augusta GreenJackets game with their families, while Cohen received \$250 to help defray the personal expenses Cohen incurs to provide additional classroom materials.

“All of my son’s success this year is thanks to [Cohen’s] amazing patience, love and knowledge,” said Heather Case, whose son Grayson is one of Cohen’s students.

Upon learning she had received the WOW! Teacher of the Month award, Jessica Cohen said, “I am so honored to receive this award and I am so appreciative of the \$250 that I will be able to use to enhance my classroom and students’ learning. “Teachers spend so much time caring for others and it felt really good to be cared for and recognized in this way.”

Throughout the remainder of the Augusta GreenJackets season, WOW! will honor one local Augusta teacher per month with WOW! Teacher of the Month awards, in order to express gratitude for the impact they are making on Augusta students and the community as a whole.

“We have more than 400 employees who live and work in the Augusta area with a close connection to the CRSA schools,” said James Phillips, area operations manager at WOW!. “Recognizing outstanding teachers for their dedicated service is an honor for us.”
